Host a Rhino Sundowner!

Rhinos face many challenges, and you can save them from the threats they face by hosting a Rhino Sundowner, raising vital funds to support rhino conservation!

Transport your family, friends or colleagues to the remote and wild places where rhinos roam for an entertaining evening of rhino-inspired drinks.

How it works

Here's your fool-proof step-by-step guide:

Step 1 – pick a date and time that works for your guests and send them invites!

Step 2 – encourage your guests to bring drinks and snacks of their choice. See our rhino-inspired drinks recipes! **Tasty alcohol-free alternatives included!**

Step 3 – create a JustGiving fundraising page and encourage your guests to contribute with donations

Step 4 – host your Rhino Sundowner and have lots of fun!

Step 5 – Follow up with your guests afterwards to thank them, and ask for any more contributions in case anyone forgets to donate

When you all can't be in the same place, host a virtual Rhino Sundowner on a video conferencing platform like Skype or Zoom.

Top Tips: Plan something to do besides a casual hang out. You could host a rhino-themed quiz. Check out our Big Rhino Quiz to find out more.

Why not make it fancy dress? You could hold a best dressed competition!

We'd love to see how you get on with your rhino-themed night! Share your **#RhinoSundowner** stories and photos with us on social media.
