

Host a rhino quiz-night!

Rhinos face many challenges, and you can save them from the threats they face by hosting a Big Rhino Quiz, raising vital funds to support rhino conservation!

Gather your family, friends or colleagues and activate those brain cells for a good cause!

How it works

Here's your fool-proof step-by-step guide:

Step 1 - find somewhere to host your quiz, you could ask a local pub or community hall

Step 2 - have a suggested donation for entry per individual or per team

Step 3 - pick a date and time that works for your guests, send them invites and promote your event

Step 4 - come up with some round ideas and questions by sifting through trivia books or looking at quiz question sites online. Need a little help? See our [ready-made question](#) slides, or make your own with our [question slide template](#)

Step 5 - consider a prize for the winning team. Ask local businesses if they can donate a prizes in return for publicity

Step 6 - host your Big Rhino Quiz and have lots of fun!

Step 7 - create a [JustGiving](#) fundraising page for anybody who is unable to make it so they can still contribute! If you can, follow up your guests afterwards to thank them and include a link to your fundraising page

When you all can't be in the same place, host a virtual quiz night on a video conferencing platform like Skype or Zoom. Instead of an entry fee, create a JustGiving fundraising page and encourage your guests to contribute with a donation

Top Tip: Encourage your guests to bring drinks and snacks of their choice. Check out our Rhino Sundowner information sheet and rhino-inspired cocktail and alcohol-free drinks recipes.

We'd love to see how you get on with your quiz-night! Share your **#BigRhinoQuiz** stories and photos with us on social media.
